TELEGRAPHIC

Flipper's Flop.

Atlanta, 31.—Lieut. Flipper, dismissed from the United army, has been appointed captain in the Mexican army.

Casualties.

Peru, Mo., 31.—Two boys, Lyman Bears and Samuel Reynolds, quarreling in a boat, fell into the lake and were drowned.

Mining Shares.

Mining stocks fairly active, irregular. Robinson 170 to 160, closing 165, Green Mountain declined from 205 to 185, Standard declined 188, regular to 7, Sells 60, Little Pittsburg sold 105, Little Chief 60. Sales 111,816 shares.

Produce.

Chicago, 31.—Wheat, active and lower; regular, 101½; August, 98½; September and spring, 101½; winter, 10½. Corn, weak, lower; 75 asked in cash, 4½ September, 2½ October. Pork firm, 21½ cash, 22½ in October. Lard, weak, lower, 12½ cash; 40 for bids in October.

The Labor Votes.

Milwaukee, 31.—The Knights of Labor concluded to enter the fall campaign and cast an undivided support for the platform and nominees of trades assembly, thus giving the latter fully seven thousand votes. The trades assembly officers announce that no candidate will be supported by them unless he renounces both old parties. Democrats are disappointed having counted upon at least the partial support of labor organizations.

Indian Pony Show.

Washington, 31.—Inspector Pollock sends from Pine Ridge agency to the acting Secretary of the Interior, a horse shoe, labelled, would fit Jumbo. "Preserve this specimen brick of our Indian management till I see you." It was furnished for contractors to shoe Indian ponies with. It weighs 3 pounds, is 8½ by 6½ inches, and it indicates the very loose way of doing business on the part of Indian agents, who should not accept such goods.

Kansas Democrats.

Emporia, Kans., 31.—The democratic convention reassembled. The majority report of the committee on resolutions declares that while the democrats of Kansas are true to temperance and just and vigorous laws, impartially administered, to suppress intemperance, they favor the repeal of the prohibitory law and the constitutional amendment on which it is based, and favor a well regulated license law, which may be enforced, and which does not infringe on personal rights, and does not contravene the public judgment of mankind in its logic and operation, as prohibition does. Prohibition makes crimes of those things that are not here regarded as crimes. The other resolutions chiefly concern state affairs. One, opposed a third term in state offices.

Safety in Syria.

London, 31.—The Greek patriarch and the bishops of Syria and several of the principal inhabitants telegraph from Damascus denying any insecurity in Syria and Palestine, or any Mussulman rising against Christians. Owing to the vigilance displayed by the local authorities, seldom has so much security been enjoyed as now.
